The 11th Occupational
Safety+Health
Exhibition for Asia

29 - 31 August 2018
Suntec Singapore

SAFEGUARDING your WORKPLACE for TOMORROW, TODAY

As we continue our push towards a diversified economy, the modern-day occupational safety and health community is challenged with staying ahead of the ever-changing landscape at the workplace.

OS+H Asia 2018 presents an opportune platform for industry professionals and safety practitioners to acquire new approaches and solutions that will help improve safety and health standards at the workplace. **Suit up for an accident-free environment today!**

Pre-register your visit at
www.osha-singapore.com

Organized by:

Your Safety Is Our Top Priority!

For the past decade, OS+H Asia has been the preferred meeting place for the region's occupational safety and health industries. Trade visitors across the industries witnessed first-hand the advanced solutions and services that helped them achieve a safer and healthier workplace. This year, OS+H Asia returns with more cutting-edge technologies featuring a wide range of exhibits that cater to crisis and emergency management, environmental control, ergonomics at the workplace, fire protection, health at work, work at height and many more. Join us at OS+H Asia 2018 and take a step closer to a safer workplace!
